<i>Macmillan</i>	0-333-59601-3
Nathanielsz P w.	£19.50
A TIME TO BE BORN. The Life of the Unborn Child.	
This unusual book explains how the baby in late pregnancy prepares for the birth and the author demonstrates it is the baby who is 'in charge' and gives the signal to initiate the birth process.	
<i>Oxford University Press</i>	0-19-262474-1
Hayward J. Boore J.R.P.	£15.99
RESEARCH CLASSICS FROM THE ROYAL COLLEGE NURSING Vol One	
Many of the titles published by RCN in the mid 1970s became models of research practice and, although out of print, were in great demand. This volume contains two such books - "Information - a Prescription Against Pain" by Jack Hayward and "Prescription for Recovery" by Jennifer Boore.	
<i>Scutari Press</i>	1-873853-03-03
Popay J. Williams G.	£13.99
RESEARCHING THE PEOPLE'S HEALTH	
This book examines two related issues: the role of social research in the rapidly changing world of health services and the relationship between lay and expert knowledge in public health and health care.

OBITUARY

MR KEITH DONALDSON

Friends and colleagues of the College will be sorry to learn of the sudden death of Mr Keith Donaldson on Wednesday, 14 September 1994 at the age of 58 years.

Mr Donaldson joined the College as Librarian in September 1978 and was Head of Learning Resources from 1991. Keith was a valued and highly respected member of staff and will be greatly missed. He had been a leading member of the planning committee for the new library and it is especially sad that he will not now see the final result of all his hard work.

The funeral took place at Woodlands Crematorium on Monday, 19 September at 1.00 p.m. Only family flowers were requested.

Dr R.A. Withers
Principal and Chief Executive
University College, Scarborough
